

March

2021

March will certainly bring another busy month! This month we will be celebrating Read Across America. Our classroom goal is for each student to read **at least** 10 books during the month of March. The students will be sent home with colored strips of paper to record the books they read and return them. If the whole class reaches their goal, we will have a cheese pizza party to celebrate! We will continue getting to know our classmates better with our "Star of the Week". We will be celebrating St. Patrick's Day with a treat of Green Eggs and Ham and all things Dr. Seuss on Wednesday, March 17th.

The students will finish up their Alphabet books this month with Y and Z. This month we will begin learning the pre-primer Dolch Sight words. I have already sent home a list, and we will be creating a ring of flash cards as we study each word. We will continue to work on counting all the way to number 15. We will also be working on addition using common classroom items, like dice. Please continue to work with your child, at home, to neatly write their name using upper and lower-case letters. In our study of the Bible, we will learn about how God loves us, John the Baptist, the Miracles, and Jesus raising Lazarus from the dead. In addition to these great activities, we will also be learning about asking for help, consequences, asking for permission, and paraphrasing. We will also continue to prepare for Kindergarten. Kindergarten registrations for East Penn and Parkland School Districts will be taking place the first and second weeks of this month, so please keep an eye out for your date to register.

If you have any questions, please feel free to email us at any time. We are also available, by appointment, after school to answer any questions that may arise.

Blessings,

Melissa Beard and Marlene Brown

Scripture for the Month:

"For God so loved the world that He gave His only Son, that whoever believes in Him shall have eternal life." John 3:16

Important Dates:

3/12- No School (May be a Snow Make-Up Day)

3/14- Daylight Savings Time begins

3/17- Green Eggs and Ham Day and St. Patrick's Day

3/20- First Day of Spring
