

April
2022

Christ has Risen! This month we will be celebrating the life of Jesus Christ, culminating with His Ascension. We will be discussing Easter and the miracle of Christ dying for the forgiveness of our sins. We will also be sharing in the joys of Spring with spring related crafts and more time spent outdoors! We will be dying hard boiled eggs for Easter & ask each child to bring in 4 on April 11th!

This month we will continue learning the pre-primer Dolch sight words. Please refer to the list sent home earlier this year. We will continue to add to our ring of flash cards as we study each word. We are progressing with our counting all the way to the number 20. We will be working on addition using pictures of grouped items. Please continue to work with your child, at home, to neatly write their name using upper and lower-case letters. In our study of the Bible, we will learn about Easter, Thomas and his doubts, the parable of the Good Samaritan, and Jesus' Ascension. In addition to these great activities, we will be learning about participation, following directions, thinking before speaking, being helpful, and following rules. We will begin to talk as a group about Kindergarten and what to expect when going.

We encourage our students to continue to work at home on the lessons we are learning in class, including being polite and showing respect. We are working with the children to be mindful of not interrupting when someone else is speaking. We are making the students aware of keeping their hands to themselves, especially when they may be spreading germs or making a classmate uncomfortable. Each day, we are reinforcing how to properly sit in a chair. Please talk with your child about these topics and others we may be discussing at school.

If you have any questions, please feel free to email us at any time. We are also available, by appointment, after school to answer any questions that may arise.

Blessings,

Marlene Brown and Diane Sawyer
