## LEARNING FOCUS

During the month of April, we will be talking about Easter, new life in Jesus, and how God helps us grow. Our Bible verse for the month is "God gave His one and only son" (John 3:16) We will review our colors, shapes, and numbers, and review numbers 1-13. We will learn numbers 14 and 15. We will also continue to work on name recognition. We will learn about bugs and animals, and experience new life as we learn how caterpillars turn into butterflies. We will also talk about weather words (rain, wind, water, etc.) We will continue to focus on following directions in the classroom, taking turns and sharing with our friends. We continue to work on waiting our turn to speak and listening quietly while others are speaking, and everyone is making great progress!
